Dear Mr. Fried,

I would like to take this opportunity to thank you for your generous contribution of three hundred sixty dollars to Chabad of North Phoenix. Your contribution will go a long way to help establish a stronger bond of identity and awareness throughout our Jewish community.

I know that you will now share in our pride for the past as well as our concern and untiring commitment for the future. Our Sages tell us that the act of Tzedokah is a very great mitzvah and the joy that accompanies the act is an even greater one. We are told that "Great is charity for it brings closer the Redemption."

May G-d grant you and yours much continued and ever-growing success in all of your endeavors, coupled with good health, much nachas, joy and prosperity.

With warm personal regards,

Rabbi Mendy Levertov
Director
